A letter from our leadership

How lucky we are to live in the Coastal Bend right now! Billions of dollars in business investments translate into increased philanthropy and community engagement. This past fiscal year proved to be one of growth, change and optimism for United Way of the Coastal Bend.

This annual report covers our fiscal year from July 1, 2018-June 30, 2019, and gives you a glimpse into the life-changing work we do with our donors, volunteers and community partners. Because of you, we were able to help more than 105,000 residents this past year as we continue to change lives long-term in the areas of education, health and financial stability. We are an independent, locally governed organization, and we're proud to say: "What's raised here, stays here!"

We wrapped up our Disaster Recovery fund distributions as the second anniversary of Hurricane Harvey approached. United Way of the Coastal Bend disbursed more than \$980,000 toward home repairs, temporary housing, small business recovery, mental health resources, food and more. With 100 percent of funds collected going toward relief efforts, the fund supported many partner programs and communities working to rebuild.

Our top leadership changed in April with Catrina Wilson retiring as President & CEO after 13 years of dedicated service to our organization. Under Wilson's leadership, the organization secured and remodeled its own building at 4659 Everhart Road, saving significant money in annual rent and allowing for a central meeting space for donor companies and community programs. Wilson also increased the number of agency partners and stabilized operations.

The Board of Directors named as its new President & CEO Libby Averyt, who enjoyed a long career in journalism and served on the organization's board before becoming its Chief Development Officer in April 2017. Averyt is committed to increasing philanthropy in our community and building upon United Way's transformative work of 83 years. Founded in 1936, we now partner with 46 agencies in programs across 60 communities in 10 South Texas counties. We achieve our goals with the help of donations through workplace campaigns, special events, corporate gifts and individual donations.

But we don't just raise money for our non-profit partners. We're also involved in many key community programs, including: the Nurse-Family Partnership, Success By 6 Early Childhood Initiative, Volunteer Income Tax Assistance (VITA) program, Operation Supply Our Students (Operation SOS) and FamilyWise prescription assistance. We are proud to maintain a four-star rating – the highest available – with Charity Navigator, and we keep five years of financial records and audits on our website.

So, check us out – either by reading this annual report, visiting us online at uwcb.org or calling us at (361) 882-2529. You're also welcome to stop by our offices to see our work first-hand. Life is better when we LIVE UNITED because UNITED, WE ALL WIN!

UNDER NEW MANAGEMENT

Libby Averyt named President & CEO of United Way of the Coastal Bend

United Way of the Coastal Bend announced Libby Averyt as its new President & Chief Executive Officer in April 2019. Averyt previously served as the organization's Chief Development Officer.

"I'm honored to work in a field that combines the incredible generosity of thousands of donors with the committed, meaningful work of local nonprofit agencies," Averyt said. "United Way of the Coastal Bend is a highly ethical and thriving organization, and I appreciate the board's confidence in me to build upon the strong foundation established by Catrina Wilson."

"Libby is the ideal person to lead United Way into the future and she will do so with vision, dedication and integrity," said Catrina Wilson, former CEO. "She has been an integral part of United Way and demonstrated her commitment to improving the lives of our friends and neighbors. She is respected and admired by our donors, volunteers and staff. Under her leadership I am confident that United Way will flourish and improve the quality of life for all."

Catrina Wilson retires from United Way of the Coastal Bend

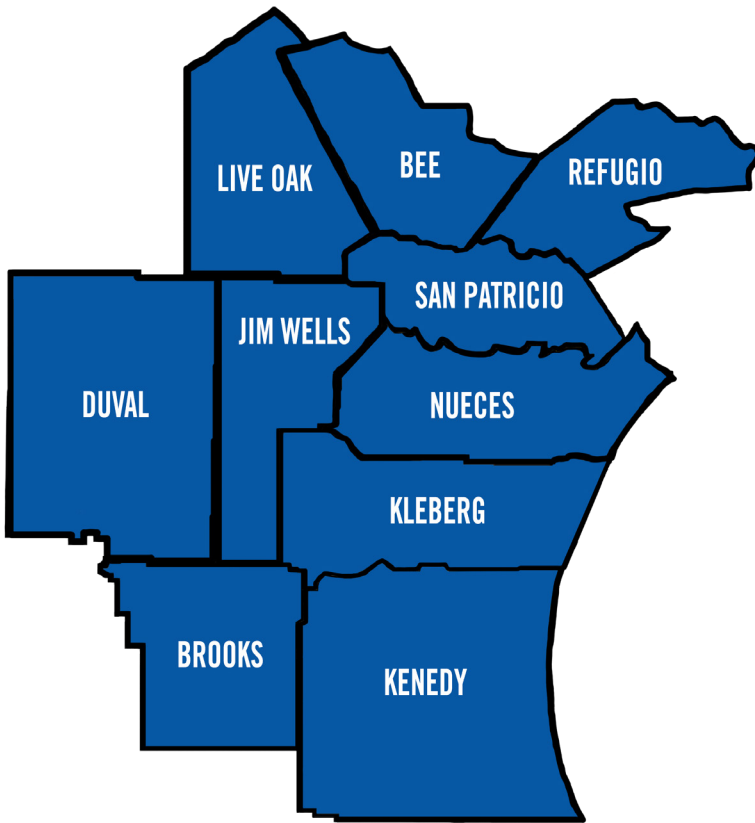

After three decades of serving in the Coastal Bend's non-profit sector, Catrina Wilson announced her retirement as President & CEO of United Way of the Coastal Bend in April 2019.

A life-long Corpus Christi resident, Wilson had held her position at United Way of the Coastal Bend since 2006. Prior to joining United Way, Wilson had served in various capacities at The Women's Shelter of South Texas, now the Purple Door.

"Catrina always said that 'non-profit' is just a tax status, not a management style, and she ran the operation as a highly successful business," said Judith Talavera, board member and President & Chief Operating Officer for AEP Texas. "Our community is incredibly lucky to have had Catrina serving in non-profits for 34 years. She generously shared her knowledge with others in the field, and our community is a better place because of her."

Despite her indisputable contributions to the community, Wilson remains humble. "It has been an honor to work alongside an incredible staff of professionals who are truly dedicated to our mission. It also has been a joy to work with our wonderful nonprofit partners to change the Coastal Bend for good. It has been a wonderful journey, and I look forward to what the future brings for me and our United Way."

HARVEY DISASTER RELIEF FUND

After Hurricane Harvey hit, United Way of the Coastal Bend established a Disaster Relief Fund to help those who needed immediate assistance as well as supporting long-term recovery efforts.

Collaborating with local agencies and communities, United Way of the Coastal Bend worked to identify gaps in funding for recovery efforts and used this information to determine the projects and communities with the greatest need.

"We moved quickly to get crucial funding into the hands of our Coastal Bend neighbors who needed it the most," said Libby Averyt, President & CEO of United Way of the Coastal Bend. "Those donations made a difference."

With 100 percent of funds collected going toward relief efforts, the Harvey Disaster Relief Fund helped more than **4,100 people** and disbursed more than **\$982,000** toward home repairs, temporary housing, small business recovery, mental health resources, food and more.

LEARNING IS EASIER WHEN YOU HAVE THE RIGHT SUPPORT.

Every child should have a quality education and a chance to be successful. This is why we work to prepare children to both enter and graduate from school. This process must begin well before the first day of kindergarten, which is why we emphasize the importance of early childhood education. Our **Success by 6 (SB6) Early Childhood Education** initiative is just one of the many ways we promote early childhood education in our region.

INITIATIVE HIGHLIGHTS

Success By 6 unveils community action plan

The Success By 6 (SB6) Coalition held an event in April 2019 to emphasize the role local groups play in improving the lives of children in Nueces County. During the event, the coalition unveiled its digital Results-Based Accountability (RBA) scorecard, which it uses to identify community issues, develop improvement strategies and track focus area progress.

More than 900 students celebrate annual Dr. Seuss Day

More than 50 volunteers from area businesses and organizations joined with United Way of the Coastal Bend to celebrate the 4th annual Dr. Seuss Day in March 2019 by reading to more than 900 children in local schools and childcare centers.

City of Corpus Christi proclaims Week of the Young Child

SB6 joined the City of Corpus Christi in celebration of early childhood literacy with a proclamation declaring April 8-13, 2019, as "Week of the Young Child." The celebration included a free festival focused on books, art and music for children and families.

Your support helped **3,525** youth be more successful in school.

BECAUSE EVERYONE DESERVES TO BE HEALTHY.

We believe everyone should have access to both mental and physical healthcare. This is why we work to fund programs doing just that—from giving children in the region access to doctors and safe, structured physical activity to support and advocacy for victims of domestic violence and violent crimes.

We also partner with **FamilyWize**—a program with a prescription savings card that helps people with the cost of medication, whether or not they have health insurance.

INITIATIVE HIGHLIGHTS

FamilyWize partnership provides savings on prescriptions

FamilyWize has partnered with United Way to help people across the Coastal Bend save money on prescriptions regardless of coverage or lack of health insurance. The free FamilyWize Prescription Savings Card helps reduce the cost of medications, with users potentially saving an average of 43 percent on prescriptions. Visit familywize.org to learn more and print out a customized prescription savings card.

Coastal Bend residents connected with local health resources

United Way of the Coastal Bend has provided educational resources and agency information to Coastal Bend residents attending community health fairs and events. Through these connections, residents can learn about the health services and resources that are available to them through our partner agencies.

Your support helped provide health care to **46,091** people.

UNITED, WE HELP TURN JOBS INTO CAREERS.

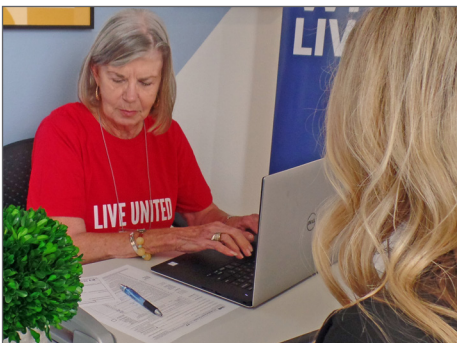

The key to long-term financial stability is the ability to get and keep a job that pays a living wage. We help people in crisis gain the stability needed to move forward by supporting programs that provide job training, help with job placement, adult literacy courses, financial education and emergency support services. The **Volunteer Income Tax Assistance (VITA)** program helps low- to moderate-income families file their tax returns and claim every tax credit for which they are eligible. Putting money back into the pockets of our taxpayers equates to more money in our local economy.

INITIATIVE HIGHLIGHTS

VITA helps nearly 4,000 residents in 2019 tax season

During the 2019 tax season, VITA volunteers spent 4,118 hours assisting 3,930 people across the Coastal Bend with their tax preparation needs. This marked a 5.7% increase in the number of filed tax returns in comparison to the 2018 tax season. This free service helped participating taxpayers receive a total of \$4,107,505 back into their pockets. With an average savings of \$200 in preparation fees per person, VITA saved participants approximately \$786,000.

VITA
Volunteer Income Tax Assistance

Your support helped **58,157** people become more financially stable.

NURSE-FAMILY PARTNERSHIP

Our Nurse-Family Partnership (NFP) program provides personalized care and home visits from registered nurses to eligible first-time mothers. Home visits begin during pregnancy and continue for two years following the birth of the mother's first child.

The program works through referrals from organizations like the Pregnancy Center of the Coastal Bend and the WIC Program to serve mothers who meet the following requirements:

- Must be a first-time mother
- Must be at or under 28 weeks gestation
- Must reside in Nueces County or live within 25 miles of the NFP office (4659 Everhart Road)
- Must meet specific income requirements

Our NFP nurses serve **more than 130 Coastal Bend mothers** and their families.

PROGRAM BENEFITS

Backed by 40 years of research and evidence-based methods, NFP has been shown to help the community in the following ways:

- 48% reduction in child abuse and neglect
- 59% reduction in arrests among children
- 72% fewer convictions of mothers
- 56% reduction in ER visits for accidents and poisonings
- 67% reduction in behavioral and intellectual problems among children

COLLABORATIVE EFFORTS

A new partnership between NFP and Family Counseling Service was established in 2018 to provide first-time mothers access to free short-term counseling at home.

Since joining United Way of the Coastal Bend in September 2017, NFP has served **more than 270 families**.

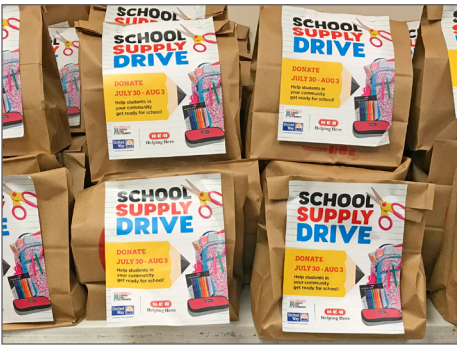

SPECIAL EVENTS

United Way of the Coastal Bend takes part in annual events that benefit our Community Investment Fund or help the community in one of three key areas: education, health and financial stability.

We extend our sincere thanks to the many donors, contributors, partners, and volunteers who help to make these events a success every year.

OPERATION SUPPLY OUR STUDENTS (SOS)

Operation Supply Our Students (SOS) is a community-wide school supply drive and fundraiser benefitting Coastal Bend children grades K-12 with the greatest need. Working in partnership with KRIS Communications and H-E-B, all overhead costs are covered so 100% of the proceeds go toward purchasing school supplies. Thanks to the generosity of donors, last year's drive and fundraiser provided basic school supplies to **more than 10,000 students in 37 Coastal Bend school districts.**

GOLF CLASSIC

United Way of the Coastal Bend, along with presenting sponsor CITGO, hosted its **25th Annual Golf Classic** on October 26, 2018, at the Corpus Christi Country Club.

A total of **188 players** registered to play 18 holes of golf and enjoyed a variety of on-course hors d'oeuvres courtesy of our generous food station sponsors.

The event was a tremendous success and raised **\$91,696.57** to benefit our **Community Impact Fund.**

CORPUS CHRISTI CALLER-TIMES CHILDREN'S CHRISTMAS APPEAL

The **Corpus Christi Caller-Times Children's Christmas Appeal** is a decades-long partnership that ensures children served by various health and human service agencies are provided basic needs and gifts during the Christmas season.

The Caller-Times Christmas Appeal raised **\$77,875** and served **2,013 Coastal Bend children** in December 2018.

VOLUNTEERS

Philanthropy goes beyond the dollar. Giving time is just as important when it comes to changing lives, and the level of impact we make in our community is made possible only when we work together.

From July 1, 2018-June 30, 2019, a total of **416 volunteers** spent **5,983 hours** helping us achieve our goals. Their time and effort translates to **\$147,720**.

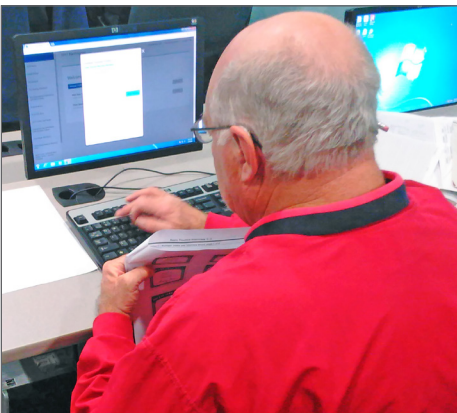

VOLUNTEER OPPORTUNITIES

There are a number of ways to volunteer through United Way of the Coastal Bend and give back to the community. Some of our volunteer opportunities include:

- Becoming an Employee Campaign Leader (ECL) at your place of employment or business
- Painting, organizing, cleaning, and more at nonprofit agencies
- Distributing school supplies during Operation SOS
- Serving on our boards or grant application review panel
- Providing free tax preparation through VITA

To learn more about volunteer opportunities, visit our **Volunteer Portal** at uwcb.org.
